

HOPE. ELEVATION. RESILIENCE. | HOLD SPACE. EDUCATE MINDS. REIMAGINE SYSTEMS.

About SavvyHER

SavvyHER Education Consulting helps people and programs rise through leadership, strategy, and culture work that's both people-focused and results-driven. Founded by Dr. Christina Porter, SavvyHER partners with youth-serving organizations, schools, and mission-driven institutions to build spaces that reflect values, elevate leadership, and drive meaningful growth.

Our philosophy blends heart and practice. We lead with Hope, Elevation, and Resilience—and guide clients through a process that helps them Hold Space, Educate Minds, and Reimagine Systems.

Who We Serve

- Youth-serving organizations and mentorship programs
- K-12 schools and education leaders
- Nonprofits and mission-aligned teams
- Professional networks and community organizations
- Any team ready to lead with purpose and grow with intention

Our Services

- Leadership coaching and organizational development
- Program design and culturally grounded mentoring frameworks
- Strategic planning and systems consulting
- Professional learning experiences and staff training
- Vision and values alignment for culture-building

Why SavvyHER

We understand what it takes to lead people, build programs, and challenge outdated systems. We combine cultural relevance, strategic clarity, and relational leadership to help you turn intention into action--and impact that lasts.
